Standing Guidance for Committee Business

1. All decisions resulting in actions to be taken by council staff or individual members to be made from an agenda item, approved by majority vote, and brought in good time to carry out the committee's request.
2. Action points may be given to office staff directly. Any actions for other individuals who are not committee members should be taken by a member to approach that person, i.e. "The Chairman to ask Cllr xxx to assist with seeking volunteers for xyz".
3. Any financial or legal issues to be discussed and agreed on in an open and publicly accessible meeting of the committee. Decisions on these matters cannot be made by email or in private meetings. Any issues or uncertainties should be referred to the clerk for advice.
4. All proposals involving a cost of over £300 normally require at least 3 quotes to be obtained, and sufficient time must be allowed for staff to obtain for the quotes, for the committee to consider. Committee members should discuss with the clerk who will be happy to provide advice on the way forward.
