- 3035** To re-consider and approve the purchase of 5000 bespoke Mini Bins.
- Following a long delay since original initiative, we have unfortunately been unable to secure some of the original proposed sponsorship (confirmed amount is now **£906.42**). However, we have been able to source a cheaper quote from a new supplier '**Smartstreets Ltd**', at a cost of £3650.00 + VAT; with the reduced sponsorship, the final cost is **£2,743.58** + VAT. **Chairman**
- 3036** To approve the amount of **£1,500** for reducing the Leylandii trees in height and to trim back the sides; all within the allotment area; remove tree debris and leave the site clean and tidy (quote enclosed).
- Following 3 complaints from residents who live behind the Allotments on Laurel and Hazel Avenues, I have tried to source 3 quotes to urgently trim down the trees that are causing them problems. Despite my efforts in ringing & chasing, I have only been able to secure one quote, I believe this to be a competitive quote, given some conversations I have had with the specialists and what we paid previously. I am looking to council to approve this quote so that I can commission the work to be done immediately. **Clerk**
